Greetings Community Partner:

I pray that this message finds you well. My name is Anthony Scott, Esq., and I am the President of the Zeta Omega Foundation. I am contacting you to inquire about a partnership or sponsorship opportunity with your esteemed organization for our scholarship trunk initiative for graduating high school seniors, “Tools for our Students’ Success”.

The Zeta Omega Foundation, a 501 C(3) Non-Profit entity, was created in 2019. Our mission is to provide financial assistance and promote public service programs in support of the Zeta Omega Chapter of Omega Psi Phi Fraternity, Inc. and other service-oriented organizations. We support programs and initiatives that pertain to health, education, economics, government, social and cultural empowerment, particularly as it uplifts the Greater Cleveland Community.

At the Zeta Omega Foundation, we are committed to supporting the educational aspirations of young minds in our community. To further this commitment, we are pleased to announce the launch of our inaugural “Tools for our Students’ Success (“Tools”)" initiative. Tools is aimed at assisting deserving students in pursuing their higher education goals. Recipients will be awarded a trunk that will include a tablet/laptop, loaded with Microsoft applications; a book stipend; and other essential and comfort items. This trunk aims to offset financial obligations to selected students, and their family, who demonstrate a strong commitment to academic excellence and community service. These trunks will be awarded at a celebratory brunch to be held on July 20, 2024 at the Cleveland Public Library, MLK Jr., Branch, 1962 Stokes Blvd., Cleveland, OH 44106, from 11:00 am – 1:00 pm.

To offer these trunk scholarships and expand our community impact, we rely, in great part, on the generosity and support of organizations like yours. Your sponsorship would directly contribute to the success of this initiative, enabling us to reach more students and make a lasting difference in their lives. In return for your support, the Foundation will offer prominent recognition and visibility for your organization, including acknowledgment in our promotional materials, social media platforms, and at our scholarship award ceremony. The various sponsorship opportunities are included at the conclusion of this letter.

I would love to discuss this further with you at your earliest convenience. Please feel free to contact me directly at 216-200-0318 or [zetaomegafoundation@gmail.com](mailto:zetaomegafoundation@gmail.com) to arrange a meeting or discuss any questions you may have.

Humbly,

*Anthony W. Scott*
